### DEPUTIES' MEETING

Wednesday, 11 December 1957

PRESENT: Mr. Dulles, Gen. Cabell, Mr. Wisner, Mr. Amory, [REDACTED] 25X1A9a  
Messrs. Lloyd, Kirkpatrick, [REDACTED], Sheldon (part of 25X1A9a  
meeting), [REDACTED]

Mr. Dulles:

a) Noted he had received a call from the Director of the Bureau of the Budget respecting a reduction in the CIA budget and stated he was considering a proposal made by DD/S which would provide for a reduction by and large to come out of the reserve. The Director also commented that in the future he planned to make a greater use of the reserve fund and intended to make this clear to Mr. Brundage.

25X1A9a [REDACTED] noted at the present time the ground rules for using the reserve are too stringent and would necessarily have to be relaxed if more use of this fund is made, and further that contingency rather than reserve would be a more proper designation of this money. ACTION: DD/S. [REDACTED] agrees no action is necessary - 23 sec JSE

The Director approved. ACTION: DD/S (X) JSE will change to DD/I.

c) Noted a proposed Navy program to train 500 enlisted men in the Sciences and asked Mr. Kirkpatrick to consider whether this Agency could organize a similar program.

d) Noted that Bob Bowie had offered to take someone from CIA into his Center on International Relations (Harvard) and asked DD/I to get in touch with Bowie on this. Mr. Amory noted should it be decided to take advantage of this offer we would of course be expected to continue paying the designees salary. The Director agreed.
